REPORT NARRATIVE

Synopsis:

Sheriff's San Marcos Station Deputies received a radio call to investigate the presence of two suspicious male adults in the Hollandia Park, in the city of San Marcos. The subjects would later be identified as **(b)(5)(B)** and Elijah Waggoner.

It was reported that both Waggoner and **(b)(5)(B)** were actively disrupting a children's Easter Egg Hunt in the park where 22 children were collecting Easter Eggs. Waggoner and **(b)(5)(B)** demanded candy found by the children and "flipping off" the children's adult supervision. The behavior of both males was so alarming, that multiple reporting parties had called Sheriff's Dispatched to report the men's behavior.

Once on scene, Waggoner and **(b)(5)(B)** observed Sheriff's Personnel before they were located. Both Waggoner and **(b)(5)(B)** fled from Sheriff's Deputies attempting to contact the pair. During the foot pursuit, Waggoner and **(b)(5)(B)** ran together across and through Mission Hills High School Property to evade contact, a violation of 148 (a)(1) P.C. resist Obstruct or Delay a Peace Officer and 182 P.C. Conspiracy to Commit a Crime. As the pair was seen jumping the center median fence of West San Marcos Boulevard, an object later identified to be a loaded pellet gun / simulated firearm was seen flying from the waistband of **(b)(5)(B)** as he vaulted the fence. A violation of 626.10 P.C. Possess a Simulated Firearm on School Grounds.

Now still together as a pair, they attempted to enter an open business without success. The pair then split from each other; Waggoner continued to run East on Mission Road while (b)(5)(B) surrendered to additional responding units. During the attempted detention of Waggoner, a Sheriff's Department issued Taser had to be deployed on Waggoner to gain his compliance. A second violation of 148 (a)(1) P.C. resist Obstruct or Delay a Peace Officer. Waggoner sustained injuries during that incident. He was subsequently transported to the Palomar Medical Center for treatment for his injuries.

Search incident to arrest, (b)(5)(B) was found in possession of four prescription Xanax pills inside of a marijuana style film case, 3.7 grams net of Marijuana, \$25.00 dollars in cash, and the dropped BB gun / Simulated Firearm. Violations of 11359 P.C. Possession of Marijuana for Sales, and 11375 H&S Possession of a Prescription / Controlled Substance without a Prescription. Both Waggoner and (b)(5)(B) were later transported to the Sheriff's San Marcos Patrol Station for processing and later to the Sheriff's Vista Detention Facility for Booking without further incident.

Origin:

On 04-14-2017, at about 1119 hours, San Marcos Sheriff's Station Deputies received a radio call to investigate three suspicious males. The males were actively harassing 22 children actively participation in a school sanctioned Easter Egg Hunt. The males were described to have been asking the small children for their candy and "...flipping off" the parents of the children. The Egg Hunt was being held at the Hollandia Park Playground, located at 12 Mission Hills Court, San Marcos. CAD# E4087938

Two of the males were described as:

Black Male Adult - 20's, 5'06", Thin Build, Black Shirt, Blue Jeans, Dreads with beads.

(b)(5)(B)

Investigation:

I arrived on scene and pulled into the upper children's playground parking lot which has the high ground overlooking the Hollandia children's playground, baseball fields, and bathrooms. I immediately saw a (b)(5)(B) male adult, later identified as (b)(5)(B) and a black male adult, later identified as Elijah Waggoner (b)(5)(A). Both subjects matched the description of the suspicious males harassing children.

I believed the two males had observed my presence in the area before I saw them because it appeared they were already beginning to leave the playground away from my location. They were at least 25 yards away from each other but still within the actively playing group of approximately 22 children under 10 years old. I watched from almost 80 yards away as (b)(5)(B) and Waggoner separately make eye contact with me and begin to rapidly leave the area, south, toward East Mission Road.

I entered my patrol vehicle and drove back down the hill toward where I believed (b)(5)(B) and Waggoner would reemerge from the play area, (near the inner park roadway.) As I approached the stop sign at the bottom of the hill, next to the entrance ramp for Mission Hills High School, I saw that (b)(5)(B) was now far ahead of Waggoner. Waggoner was now just in front of my patrol vehicle bumper. I exited my vehicle and rebroadcasted a description of both Waggoner and (b)(5)(B)

I approached Waggoner and said "hay. can I talk to you please." Waggoner was non responsive. I repeated myself louder. Waggoner was now less than 10 feet away but did not look in my direction and made no acknowledgement of my presence. Both individuals were now on the Mission Hills student access sidewalk on Mission Hills School Grounds within sight of me and each other.

I followed Waggoner on foot at an accelerated walking pace. I ordered Waggoner to "stop!" and to "show me his hands!" I only contacted Waggoner at this time because I believed I had no chance of catching up to (b)(5)(B) who was now well over 40 yards from me in front of Waggoner.

I updated Waggoner's physical description and advised that Waggoner was not responsive to my verbal commands. Waggoner continued to walk away from me despite my shouted verbal commands to "Stop" and to "...just talk to me man." Several seconds later, Waggoner plunged his left hand deep into his left pocket. I began to draw my department issued firearm in anticipation of Waggoner retrieving a weapon from his person. Waggoner rapidly removed a cellphone, briefly looked at it, and quickly stuffed it back into his right front pocket. I ordered Waggoner to "Stop!" and to "...get on the ground."

Waggoner said nothing, briefly looked over his shoulder at me, hiked up his pants, and began immediately running as fast as he could, east on East Mission Road toward the front entrance of Mission Hills High School. A violation of 148 (a)(1) P.C. Resist Obstruct or Delay a Peace Officer.

I gave chase and broadcasted Waggoner's direction of travel and for Sheriff's Dispatch to contact Mission Hills High School and put it on lockdown fearing the males may have weapons or other contraband and attempt to hide on the school campus amongst other students to evade contact.

As Waggoner continued to flea, he was almost immediately joined by (b)(5)(B) who was now 50 yards ahead of him. The two met up with each other ahead of me and raced across three lanes of traffic together. They both ran south across west bound East Mission Road. A violation of 182 P.C. Conspiracy. As they approached the divided median, (b)(5)(B) was closest to me and my view of Waggoner was partially obstructed by (b)(5)(B)

I watched as (b)(5)(B) jumped the median's dividing chain link fence first. As he reached the apex of the fence, a large black object flew out of his waistband and skidded into the the street. The object that fell from (b)(5)(B) waistband remained in my constant field of vision. The object, I later determined to be a loaded BB gun. The BB gun was a near replica of a black semiautomatic Beretta Cougar or Walther semi-automatic handgun. All safety markings from the gun had either been removed or were never

installed. The magazine had several rounds of ammunition in it and the CO2 cartridge was charged. A violation of 626.10 P.C. Possess a Simulated Firearm on School Grounds

I watched as both Waggoner and (b)(5)(B) successfully vaulted the median's fence and continue across three more lanes of traffic, south, toward an open business, together. I crossed the street and stood on the median as I watched (b)(5)(B) pace nervously in front of the business. I could see that he soon realized he was rapidly being approached by multiple other responding Sheriff's Units with activated Code-3 sirens. (b)(5)(B) then slowly began approaching my location by re-crossing the three lane of traffic from the other side of the fence. I did not jump the fence so my position was on the north side of the median's fence.

I drew and pointed my department issued X26 Taser at (b)(5)(B) and ordered him to turn away from me and to sit on the median. I did this because I feared (b)(5)(B) may be reproaching me to cause me harm, and to affect a now lawful detention. He complied.

I held him at Taser point and ordered (b)(5)(B) "Do not move!" until Deputy Galvan arrived at my location to secure (b)(5)(B) from the other side of the chain link fence. Search incident to arrest, (b)(5)(B) was found in possession of four prescription Xanax pills inside of a marijuana style film case, 3.7 grams net of Marijuana, \$25.00 dollars in cash, and the dropped BB gun / Simulated Firearm. Additional violations of 11359 P.C. Possession of Marijuana for Sales, and 11375 H&S Possession of a Prescription / Controlled Substance without a Prescription.

During my detention of (b)(5)(B) Deputy Frierson #3652, approached and attempted to detain Waggoner roughly 150-200 yards east from my location. During the attempted detention of Waggoner, Deputy Frierson had to deploy his Sheriff's Department issued Taser to gain his compliance. See Deputy Frierson's Deputy Report for specific information. Waggoner sustained injuries during that incident. He was subsequently transported to the Palomar Medical Center for treatment for his injuries.

Both Waggoner, and (b)(5)(B) were later transported to the Sheriff's San Marcos Patrol Station.

Because (b)(5)(B) was in possession of a replica / BB Gun, Deputy Crane, and I, retraced the areas in which I had observed (b)(5)(B) and Waggoner run because we feared a similar weapon and or a real firearm may have been ditched during the foot pursuit. We were unable to locate any additional contraband in the areas and returned to Hollandia Park in an effort to contact any potential witnesses or victims.

While in Hollandia Park, near the playgrounds, I was approached by (b)(5)(B) was a teacher of the (b)(5)(B) (b)(5)(B) told me that her facility was on a field trip and that her co-teacher, (b)(5)(B) was the original reporting party to the behavior of both Waggoner, and (b)(5)(B) I took her statement.

Statements of (b)(5)(B) (Witness)

On 04-14-2017, at about 1030 hours, (b)(5)(B) was leading the first wave of students she teaches from the (b)(5)(B) for a school sanctioned Easter Egg Hunt. I was told at one point there were 22 children in the playground in Hollandia Park.

During that event, two male adults "...the ones you chased" were bugging the kids. They started screaming "...I want Chocolate!" as the pair walked through the group of kids for several minutes actively looking for hidden Easter Eggs. Then Waggoner and (b)(5)(B) went back and forth to the bathrooms and stood on the park tables to sing. (b)(5)(B) said she was so afraid of the men and their behavior that the children were not allowed to go near the bathrooms as she and (b)(5)(B) called 911 for the safety of the children.

Investigation Continued:

While speaking with (b)(5)(B) she was surrounded by four of her student children actively watch her speak with us. Believing the children were not part of the initial group of students who witnessed this event, I was unaware that they were the ones who witnessed the incident until they started telling me their version of events. All of the children burst out at once telling me essentially the same set of events.

The children (b)(5)(B) were identified by name only as (b)(5)(B) refused to allow the children to provide me with their personal information. (b)(5)(B)

All of the children described both Waggoner and (b)(5)(B) coming within 10-15 feet of them, or closer, and asking them for their chocolate. They also described (b)(5)(B) standing on the picnic tables in between the group and start singing at them and lifting up his shirt as he was doing some "...weird stuff with his (b)(5)(B) hands." I asked if the movements were "gang signs" and the children did not know how to respond.

At this point (b)(5)(B) became extremely uncomfortable with me taking the statements from the children. She directed me to contact the school for more information and for a list of children present at the event. I respected her wishes and did not force this issue knowing the children could be easily contacted at a later time.

I returned to the Sheriff's San Marcos Station to process (b)(5)(B) I later read (b)(5)(B) his Rights under Miranda. (b)(5)(B) invoked his right to remain silent. I did not ask him any questions about this incident but inserted his own comments as I told him what he was being charged with. He would not stop talking as I told him the charges he was being charged with. He screamed the following spontaneous statements after each criminal charge I read.

Spontaneous Statements of **(b)(1)** (Arrestee)

Post Miranda, **(b)(5)(B)** denied all involvement with the BB Gun / Simulated firearm. Stating it was his gun but he told Waggoner to hold it for him before they fled the scene. **(b)(5)(B)** said "...it's mine because I carry a \$5,000.00 necklace and a \$500.00 watch yo! You don't know these streets! I didn't drop that shit any way. I gave it to him (Waggoner) to hold and it flew out of his side bag when we jumped that fence." "...You're fucked up charging me with that bullshit! You didn't see me drop shit!" "...I had a back pack on." "The Xanax is mine I have a prescription." "The weed, that's for me to smoke! That's called personal use bitch!"

Both Waggoner and **(b)(5)(B)** were later transported to the Vista Detention Center for Booking without further incident.

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

Line 2: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

L.E. Tool/Technique Used: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

Was Initial Use of Force Effective? If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

Was Additional Control or Force Needed: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

Target Distance: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

Subject Injured: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

Other Force Used/Comments/Equipment Performance: This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

Lieutenant: Sign, list ARJIS number and date reviewed.

Captain: Sign, list ARJIS number and date reviewed.

REPORT NARRATIVE**ORIGIN:**

On 04/14/2017, at about 1128 hours, Deputy Bloomberg (5393) was contacting three male subjects at Hollandia Park when he asked for additional deputies to assist him, due to the individuals fleeing from him and not complying with his instructions. Event # (E4087938)

DEPUTY'S OBSERVATIONS AND ACTIONS:

At about 1119 hours, Deputy Bloomberg (5393) was dispatched a call at Hollandia Park, located at 12 Mission Hills Court regarding three males harassing small children as they were Easter egg hunting. As Bloomberg was attempting to contact the males, they all fled the park not listening to his commands or instructions. At approximately 1130 hours, Deputy Bloomberg asked for assistance, due to the Black male subject walking away from him.

Due to Hollandia Park being in close proximity to Mission Hills High School and his cover deputy was a distance away, I went to assist Deputy Bloomberg. As I was driving down 1 Mission Hills Court, I observed Deputy Bloomberg walking a few feet behind the Black male as they were walking on the property of Mission Hills High School. It looked as if the male was constantly placing his hands in his pockets as he was walking away from Bloomberg.

As I was waiting to make a left hand turn on to Mission Road, I observed the Black male running from Deputy Bloomberg. The male ran south jumping a black fence in which divided the east and west bound lanes of E. Mission Road. The Hispanic male was observed running down the stairs from Mission Hills High School, where he and the Black male jumped the fence at the same time. The Black male was running east bound on E. Mission Road when I heard Deputy Bloomberg's radio transmission there was a possible black gun in which fell to the ground as both subjects were jumping the fence.

I made a left hand turn on to E. Mission Road attempting to catch up with the Black male. I drove up on the sidewalk preventing the male from running past me. The male ran around my patrol car, looking over his shoulder, running out into traffic towards a red Honda Civic that was in the number 1 lane, waiting to make a u-turn. The male approached the passenger side of the vehicle very quickly as he was constantly looking over his shoulder at me. At one point It seemed as if the male was attempting to open the passenger side door.

Due to not knowing if the male had a gun or any other weapons on his person, I exited my patrol car and un-holstered my department issued, Glock 40 caliber. I pointed my duty weapon towards the male giving him commands to get down on the ground and to stop running. The male turned and began running towards me. Fearing he was going to try and car jack another vehicle, injure an innocent person and or possibly assault me, I transitioned from my department issued, Glock 40 to my X-2 Taser, Conducted Energy Device (CED). I gave the male several commands to stop running or he would be tased, he continued running in my general direction towards the sidewalk. The male continued to run as I deployed my CED, the first deployment was non effective as the male continued running away from me. I then deployed my CED for a second time, in which it was effective. The probes hit the male in his lower back causing him to fall to the ground, hitting his head on the concrete. The male had blood coming from his mouth and three of his teeth were located on the ground. The male was later identified as Elijah Vasohn Waggoner **(b)(5)(A)**.

At 1133 hours, Sgt. Deal (4317) was notified of the Taser deployment. San Marcos Fire Department/Paramedics responded to my location and provided medical attention to Waggoner. The paramedics removed the probes from Waggoner's back. The paramedics recovered the teeth and put them in a plastic glove then transported Waggoner to Palomar Medical Center. I followed the San Marcos Fire Department to Palomar Medical Center and stood by while he was being provided medical treatment from the nursing staff. The nursing staff was not notified of the teeth inside the plastic glove until about an hour after Waggoner was at the hospital. The nurse explained that they could have put the teeth back in the mouth but since the teeth had not been preserved properly by the paramedics, the hospital could not reattach the teeth. The nurse explained that Waggoner would have to take the teeth to a dentist to determine if they could reattach the teeth. The teeth were put into a plastic container and placed in Waggoner's hospital property bag.

The injuries sustained by Waggoner were scrapes/abrasions on his wrist and mouth area and three teeth came out. The nurses explained there were three probe marks in the back and one probe mark in the back of the head.

If force was not used on Waggoner, he could have possibly car jacked someone driving by or assaulted me. The force used was effective

At about 1540 hours, Deputy Crane relieved me at Palomar Medical Center. I had no further contact with Waggoner.

I took digital photos of Waggoner's injuries. I later transferred the digital photos to a compact disc. The disc was later placed into evidence at the San Marcos Patrol Station.
